

	Reception	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Autumn term 1	I can say the numbers 0 to 5 forwards and backwards.	I can read and write numbers to 10 in numerals.	I know number bonds to 20.	I know number bonds to 100.	I know the multiplication and division facts for the 6 times table.	I can round numbers to 1 million to the nearest 10, 100 and 1,000.	I can count in powers of 10, forwards and backwards with numbers to 10 million.
Autumn term 2	I can say the numbers 0 to 10 forwards and backwards.	I know number bonds to 10.	I can count, read and write numbers to 100 in numerals.	I can count in multiples of 50 and 100.	I know multiplication and division facts for the 9 and 11 times tables.	I can identify multiples and factors up to 12x12.	I can identify common factors of a pair of numbers.
Spring term 1	I can say the days of the week in order.	I can compare numbers to 10 using < > and =	I know the multiplication and division facts for the 2 times table.	I can find 10 or 100 more or less than a given number.	I know the multiplication and division facts for the 7 times table.	I can identify prime numbers up to 50.	I can find fractions of amounts.
Spring term 2	I can partition the number 5.	I can count in 2s and I know doubles and halves to 10.	I know multiplication and division facts for the 5 times table.	I know the multiplication and division facts for the 3 times table.	I know the multiplication and division facts for the 12 times table.	I can recall square numbers up to 12 ² and their square roots.	I know common fraction, decimal and percentage equivalences.
Summer term 1	I can count, read and order numbers to 20.	I can make and talk about simple arrays.	I know the multiplication and division facts for the 10 times table.	I know the multiplication and division facts for the 4 times table.	I know the multiplication and division facts for all times tables up to 12x12.	I know the first 5 cube numbers.	I can divide and multiply by 10, 100 and 1,000.
Summer term 2	I can use physical representations to add and subtract.	I can find $\frac{1}{4}$ and $\frac{1}{2}$ of a quantity.	I know doubles and halves of numbers to 20.	I know the multiplication and division facts for the 8 times table.	I can identify equivalent fractions.	I can convert between improper fractions and mixed fractions.	I can find simple percentages of amounts (1%, 5%, 10% etc.).
